

iTRICYCLE

www.itricycle.com.ph

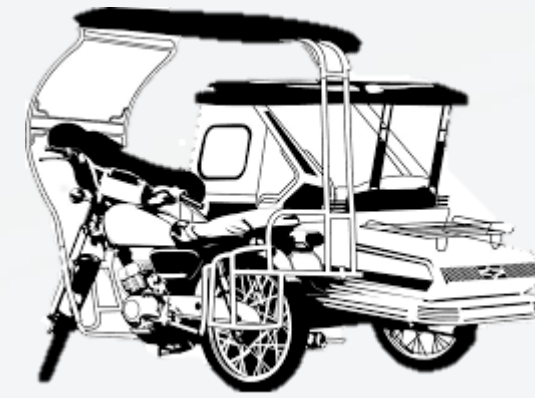

PROBLEM

- 01 NO TRACKING DEVICE
- 02 LACK OF INFORMATION
- 03 NO LICENSE
- 04 NO PLATE NUMBER
- 05 NO CERTIFICATE OF REGISTRATION
- 06 NO MSU STICKER

TARGET MARKET

Students, Visitors, Staff, Employee, and Residences of Mindanao State University Main-Campus, Marawi city who transport through Tricycle and Bajaj.

SOLUTION

- iTricycle is about the safety of the students, visitors, employees, and residents in MSU by ensuring their security through tracking the driver's and the MSU sticker, where the driver's information can be seen.

MAIN FEATURES

It contains the complete information of the drivers, and this is also where you can find out if they are registered, whether they have MSU sticker or not, and they also have a profile.

DRIVER'S INFORMATIONS

You can see which location you are going to, so that if anything bad happens, your location can be found immediately.

LOCATION

It can track the drive location also your location if there's gonna something happened

TRACKING

SUB FEATURES

Special Button

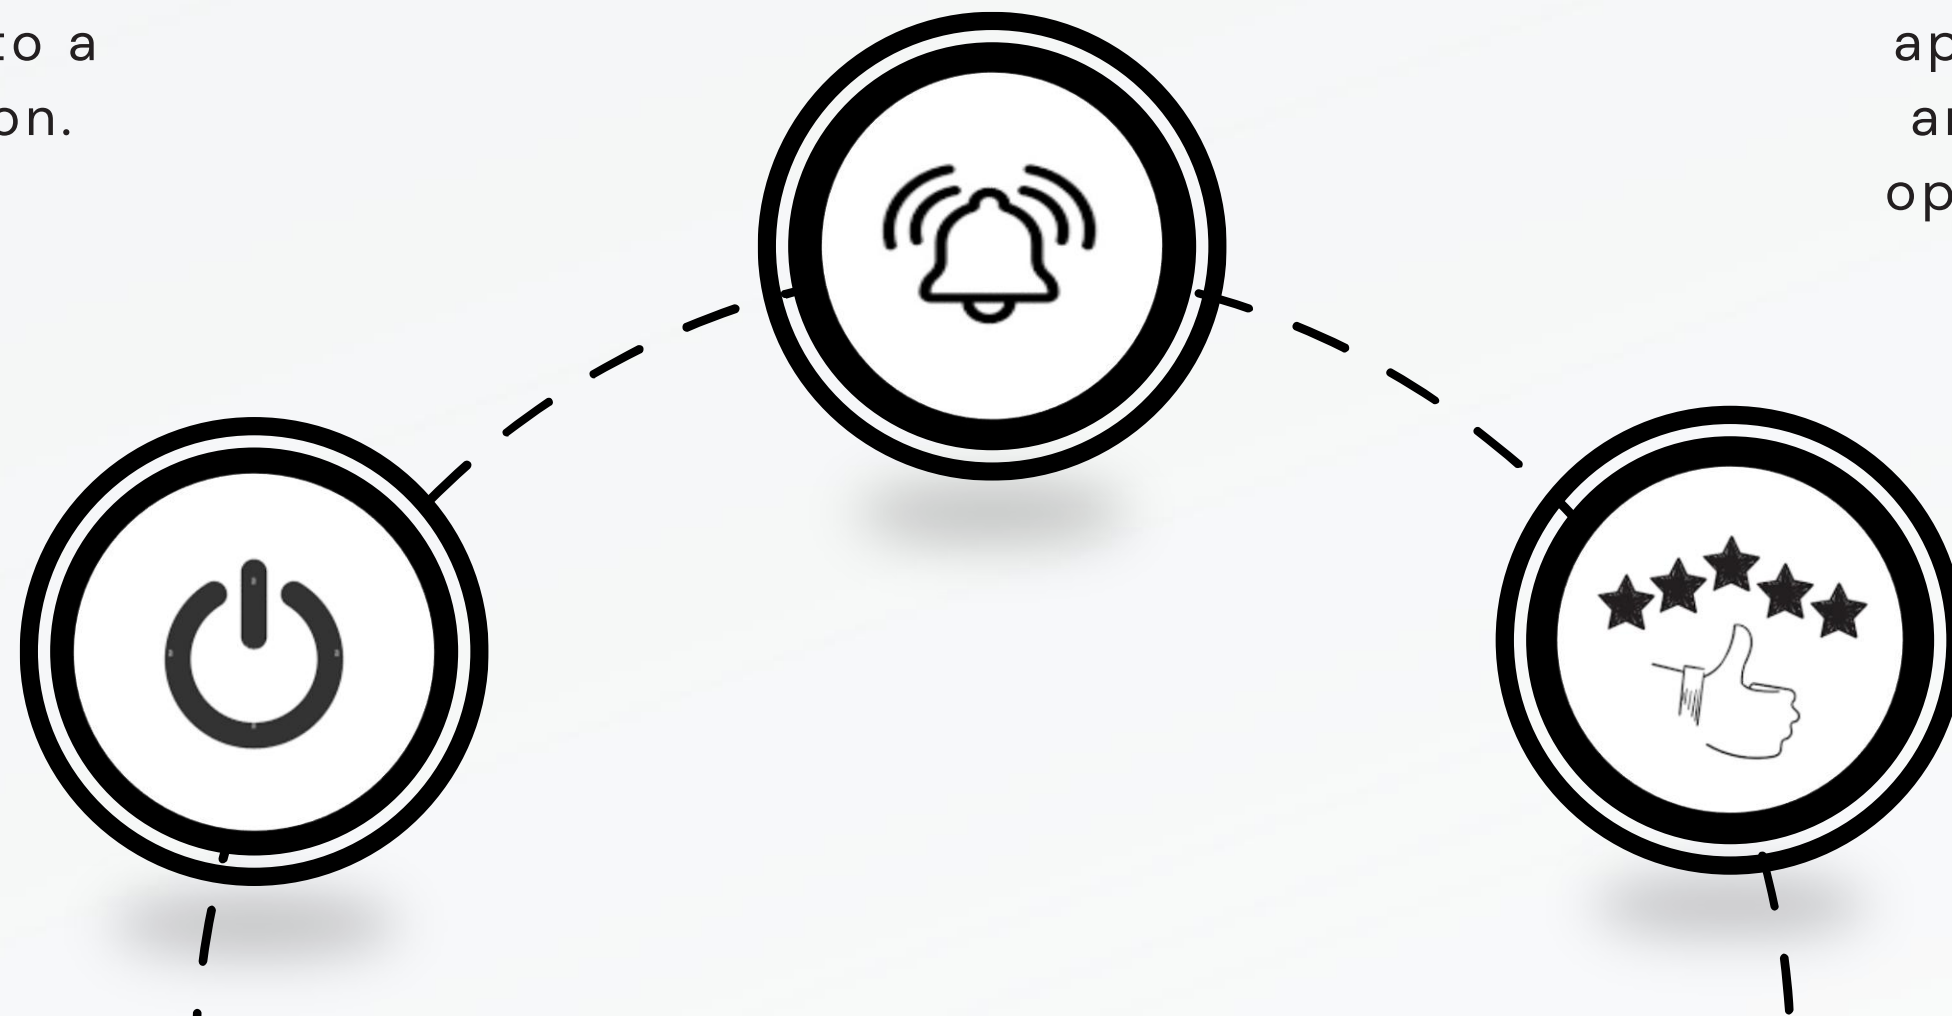

This special button is where you press if something bad happens to you, or if the driver goes to a different location.

Alert/Notification

The alert and notification system is crucial; in a emergency, a passenger can send and instant distress signal to the headquarters or PKF with a single tap on their devices.

Rating

It evaluate the performance of the tricycle service, identifies areas for further application improvement, and measures its overall operational effectiveness.

Thankyou

THANK'S FOR WATCHING
